The recognition of role of West Kirby and Hoylake as coastal resorts is supported but it should recognise this role as being of regional significance as in the Issues and Options Report (paragraph 6.53). Wording is also needed on the economic and social role these settlements play in the City Region especially informal leisure activities based on their distinctive built character and landscape setting.

#### Question 4c

Complies with the Duty to co-operate Yes

#### Question 6

**Please note** Your representation should be as succinct as possible. You should provide all the evidence and supporting information necessary to support your representation and your suggested modification(s). You should not assume that you will have a further opportunity to make submissions.

**After this stage, further submissions may only be made if invited by the Inspector, based on the matters and issues he or she identifies for examination.**

**Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at 5, 5a or 5b above. (Please note that non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why each modification will make the Local Plan, Sustainability Appraisal or Habitat Regulations Assessment legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.**

Replace second sentence with:

Hoylake and West Kirby also function as coastal resorts of regional significance, with provision for formal and informal recreation including golf, water sports and sand yachting.

Add sentence:

They also attract tourists, especially day trippers from other parts of the Liverpool City Region because of their scenic coastal location, family-friendly beaches, traditional promenades and buildings, food and drink establishments and opportunities for informal leisure e.g. walks around the Marine Lake and out to Red Rocks and the Hilbre Islands.
